QUICK AND EASY HAIR REMOVAL

Silky smooth skin can last up to eight weeks with Nad's Hair Removal Strips. Containing natural beeswax, Nad's Hair Removal Strips have a soft fabric backing, not plastic like others.

The unique contour weave fabric technology easily flexes to the shape of your body's curves. Nad's Large Hair Removal Strips are suitable for legs, arms, underarms and bikini area. Nad's Facial Hair Removal Strips are ideal for those smaller, delicate areas such as chin and upper lip. With regular use, hair growth is progressively slowed down.

It's so easy, warm between your hands, slowly separate the two halves, smooth on and quickly remove, pulling strip off in the opposite direction of hair growth.

For additional information and handy tips, visit www.nads.co.uk

Nad's Facial Hair Removal Strips are available at Boots and Sainsbury's from £9.99.
